Husky & Medley

Do you want to go out with me?

Because...
"Aren't we going out already?" or what I want to say
But the other party might not feel the same way.
Could it be that I'm being treated by IA-chan?
"let's stop this" or something.
Maybe she'll say
Does it bother you, Yukimi?
Having a relationship can be...
It doesn't bother me!
Why would you...
But
I'm always saying vague things
Asking wether or not I'm going out with Yukimi
I thought that would just make Yukimi even more confused so
Beside
We're both girls so I don't know how you feel about it.
IA-chan.
You're thinking too hard about it.
EH?
We can't have to go out
We don't have to be flashy after
It's fine to just be together without thinking too hard about it.
Just doing what you want is more than enough, IA-chan
And I'll also do what I want.
I just lost something embarrassing
!?

I was thinking really hard about it. I look like an idiot now..
What's with that!?
Dummy!
So cute.
I've been worried about the every night you know!?
Dummy!
Why didn't you say the sooner? dummy!
Geez!!! Yukarin I love you!!!
She's too cute!!
Eh?
So I'm going to say it clearly!
But I really don't want to be vague.
You're going out with me okay!?
Got it!?
Too cute..
Yes I got it.
Then I guess I'll make today our anniversary.
So IA-ch is my girlfriend now.. Hehehe
Yukarin?
